- ✓ Shelf visibility
- ✓ Product differentiation
- ~ Emotional connection
- ✓ Clear messaging
- ✓ Value perception

Planning for growth

4.3 kg per capita  3X, 4X +

Planning for growth

Growth in
Consumption
of Packaging = Environmental
disaster ?

Planning for growth

Growth in
Consumption
of Packaging \neq Environmental
disaster

Good, responsible Design

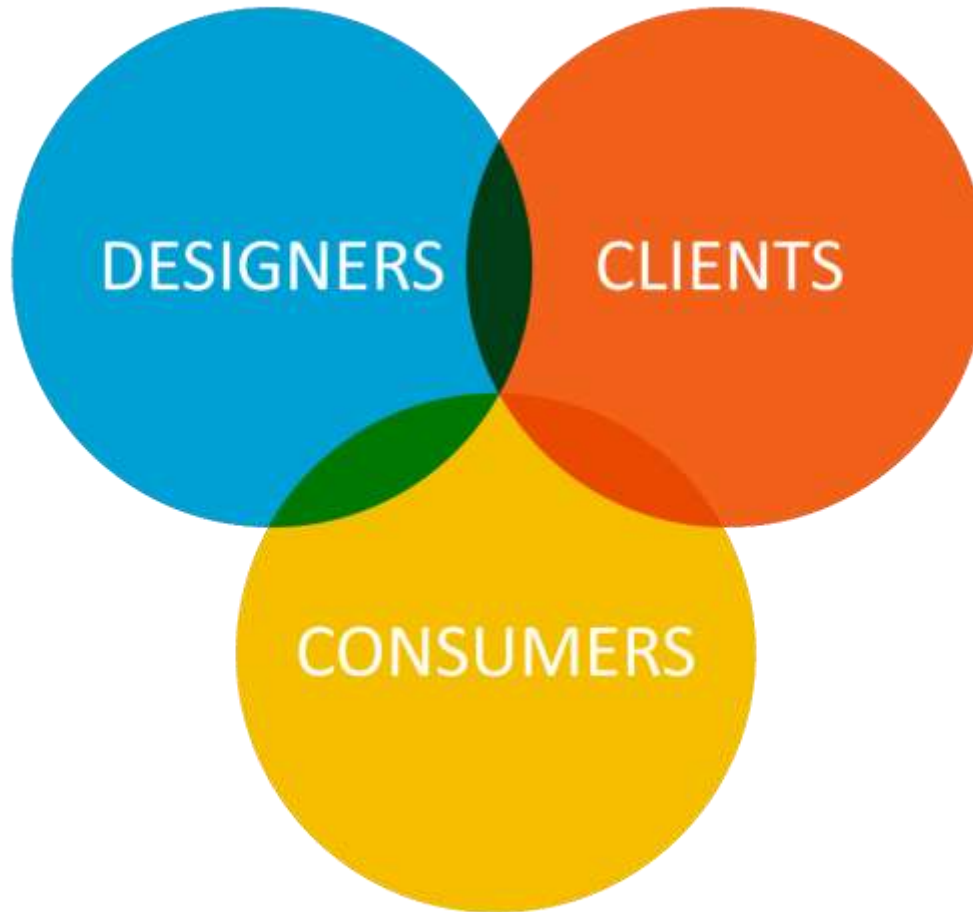

Advantages/benefits of a Human-Centered approach

1. Design for reuse/repurposing
2. Longer shelf life of the brand through sustained visibility
3. Perception of being a 'Premium' brand

Designing Brand Perception

Thank you.
